

Dear TestCorp Hiring Team,

I'm incredibly excited about the Full Stack Developer position at TestCorp! Your company's work in [mention something specific you know about TestCorp, even from a quick search, to show you did your homework - e.g., innovative testing solutions, commitment to quality, etc.] is truly impressive.

With my solid background in both React and Node.js, I'm confident I can hit the ground running and contribute immediately to your team's success. My experience includes [briefly mention a relevant project or two that showcases your skills, e.g., building responsive UIs with React, creating scalable APIs with Node.js]. I'm eager to learn more about this opportunity and discuss how my skills can benefit TestCorp.

Thank you for your time and consideration.

Sincerely,

Mubashir
